TIMELESS VALUES MAKE LASTING IMPRESSIONS ON YOUTH SUCCESS

The Knox Trail Council has programs that are designed to prepare young people at every level for success as adults-whether that involves Cub Scouts acquiring basic skills, Boy Scouts earning awards for lifesaving, or young men and women gaining outdoor skills in our Venturing program.

ACHIEVEMENT

We see fitness as a promise made to one's self. Scouts learn to be both physically and mentally fit, which helps them to become healthy adults with integrity. Through a wide variety of activities, they develop a strong sense of well-being and the determination to achieve their goals.

LEADERSHIP

In an age where young people are confronted with so many negative influences, Scouting provides guidance and role models built upon the timeless values of our families, friends and communities. Scouts gain a solid foundation of values that help them become productive citizens and effective leaders. As adults, many Scouts honor those traditions by returning to serve as adult leaders and positive role models for the next generation.

YOUR PROMISE

The success of Scouting depends upon those who support it. That includes the work of adult volunteers, the encouragement of parents, and the financial assistance of all our friends and families. After all, providing a quality program to a growing number of Scouts becomes more expensive each year. Your generous gift does more than simply cover our expenses; it serves as your personal promise to our Scouts today and our communities tomorrow.

The Knox Trail Council invests \$255 per Scout annually. Please consider supporting a Scout for a year.

BOY SCOUTS OF AMERICA
100 YEARS OF SCOUTING

CELEBRATING THE ADVENTURE
CONTINUING THE JOURNEY

Every week millions of Scouts raise their hands and make a promise. It's more than just a pledge to an organization. It represents a lifelong commitment to them, their families, and the community they share.

It takes another kind of promise - the one within themselves - to help them grow into productive adults. Promises are what Scouting in the Knox Trail Council is all about.

CONFIDENCE

Through Scouting programs, young people are introduced to fun and exciting new experiences that help them learn about our world. Just as important, they are challenged to find new strengths within themselves. With each success, their confidence, self-reliance and sense of worth becomes stronger. That strength helps them to make the right choices as they are confronted with difficult challenges.

TEAMWORK

Scouts learn the value of teamwork through successful experiences that teach them to trust themselves and others. Through small groups, such as Dens and Patrols, Scouts develop interpersonal skills and gain self-confidence to achieve goals. Not only do they learn practical skills in leadership, they also discover what it is like to work well with others and develop an appreciation and respect for our environment. Scouts learn lessons that last a lifetime.

COMMUNITY

Community service programs such as Scouting for Food, Good Turn for America, conservation improvements and individual Scout service projects are just some of the ways Scouts demonstrate their commitment to their community. Scouts have provided thousands of hours of community service to benefit all of our neighborhoods.

PRINCIPLES

There is a sense of pride knowing that every week in every neighborhood, caring, dedicated volunteers gather to teach our youth the virtues of the Scout Law. Over 80% of men who were involved in Scouting agree that the values they learned as a youth continue to be an important part of their every day lives. Everyday, Scouts and their families learn by participating in activities centered on achieving three aims: character development, citizenship training and personal fitness.
